Get your game on with Valley of the Tetons Library's BOOKOPOLY reading challenge! Select books for each category on the boardwalk, then list them as you read using the back side of the board. Challenge starts June 15 and runs through December 15. Game boards are available at either library branch, via download at [votlib.org](http://votlib.org), or by email. Read 30 books total to complete the challenge.

List your book titles for each space below. Players may automatically eliminate TWO categories using their GET OUT OF JAIL FREE option. (Just write "get out of jail free" next to the category.) BONUS squares are reader's choice! Skip the shaded areas featuring vintage Monopoly imagery.
